

1.

A merry Christmas to you and to you,
To you and to you, to you and to you,
A merry Christmas to you and to you,
And a happy new year!

May the joy of the season go with you today,
As we give and receive, and all celebrate.
A merry Christmas to you and to you,
As we celebrate Christmas together.

2.

May the gift of His lo-ve be with you and you,
With you and with you, with you and with you.
May the gift of His lo-ve be with you and with you,
Bringing hope from above!

May the joy of the season go with you today,
As we give and receive and all celebrate.
May the gift of His lo-ve be with you and with you,
As we celebrate Christmas together.

3.

I hope your actions are giving and true,
Are giving and true, are giving and true.
I hope your actions are giving and true,
And there's peace, shown to all.

May the joy of the season go with you today,
As we give and receive and all celebrate.
I hope your actions are giving and true,
As we celebrate Christmas together.

4.

May love for each other shine bright in our hearts,
Shine bright in our hearts, shine bright in our hearts,
May love for each other shine bright in our hearts,
Come and share, it around.

May the joy of the season go with you today.
As we give and receive and all celebrate.
May love for each other shine bright in our hearts,
As we celebrate Christmas together.

5.

May God bless you in the new year to come,
The new year to come, the new year to come.
May God bless you in the new year to come,
Let us all sing along.

May the joy of the season go with you today.
As we give and receive and all celebrate.
May God bless you in the new year to come,
As we celebrate Christmas together.
