

Quality Talk Starters...

Helping each other out

If we...
Remember when...
Let's think again.
What do we already know?

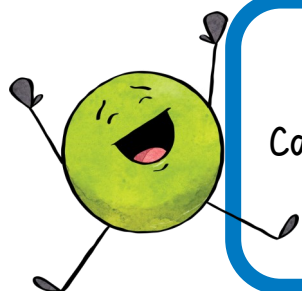

Will a toolkit be useful?
What resources can we use?
Why do you think that?
What is the question asking?

Encouraging each other to add details

Can you use the correct terminology?
How did you work that out?
Can you explain further?

X pointed out that...
What else do we know?
Can we do this more efficiently?

Challenging or correcting respectfully

How do you know?
I agree, but...
Another point of view is that...
I disagree because...

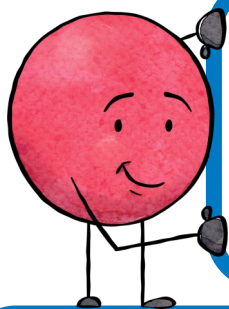

I can see how your view fits with this, but...
I can see why you think that; however...
Please show me how you did that.

Justifying my thinking

I think this because...
I know this because...
You can see here that...
I see it differently, because...

My reason for saying this is...
I have found out that...
I already knew that...

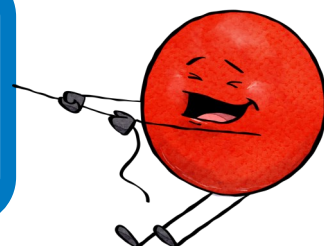

Speculating

If we...
What happens if...
Maybe we could...

I have a suggestion...
Could we...
How? Why?

Changing someone's mind (or mine)

Can you explain further?
Can I make a suggestion?
I'm not completely convinced...
When you put it that way...

That's a good way to look at it.
Can you help me to understand your way of thinking?
You've convinced me because...
