

Reception: Exploring Sounds

Listening and creating

We can explore how voices and bodies can be used to make sounds, I can experiment with tempo and dynamic when using these sounds and instruments.

We can identify sounds in the environment and tell the difference between the sounds that we hear.

Vocabulary

tempo This is how fast or slow the music is.

dynamic This is how loud or quiet the music is. How does it make you feel when it is loud or when it is quiet?

Instruments

Body Percussion

Clapping

Tapping foot

Drumming fingers together

Rubbing hands together

Percussion

Drum

Hand bells

Triangle
