

Reception: Transport

Identifying, exploring and copying transport sounds

Symbols

We can identify and copy sounds made by vehicles, using our voices, bodies and instruments.

I can demonstrate tempo changes and understand how symbols can represent sound.

Instruments

Body percussion

You can use your body or

Tapping foot

Clapping

Vocal sounds

Vocabulary

beat

This is like a heartbeat that can stay the same all of the way through music.

tempo

This is how fast or slow the music is.

pulse

We can move our bodies in time with the music, changing speed and following symbols.

Vocal sounds

Sounds made with your vocal chords, such as, talking, singing
