

Year One Drawing: Make Your Mark

In this unit, I will:

- show knowledge of the language and words to describe lines.
- show control when drawing continuous lines
- experiment with a range of mark-making techniques when listening
- colour neatly and carefully, featuring a range of different media and colours.
- apply a range of marks successfully to a drawing.
- make a drawing that displays observational skill, experimenting with a range of lines and mark making.

Important words

geometric	These are mathematical shapes with straight lines, angles and a point.
horizontal	These straight lines are flat or level with the ground. 
irregular	This is when shapes or lines are not formed of the same sizes
line	A mark on a surface can be different lengths, widths and create shapes.
mark-making	This is the creation of different lines, patterns and shapes
media	One meaning of this is the materials that you use in art.
observations	This is to look at something carefully
regular	This is a pattern that keeps to the same size and type.
texture	This is a surface quality that is not flat
vertical	A line pointing straight up at a right angle from a horizontal base is vertical. 

Artists

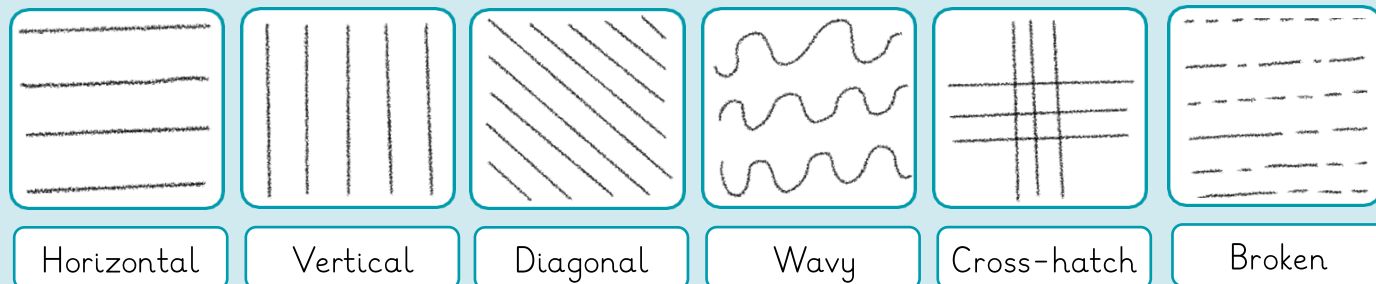

Zaria Forman

Wassily Kandinsky

Different types of lines

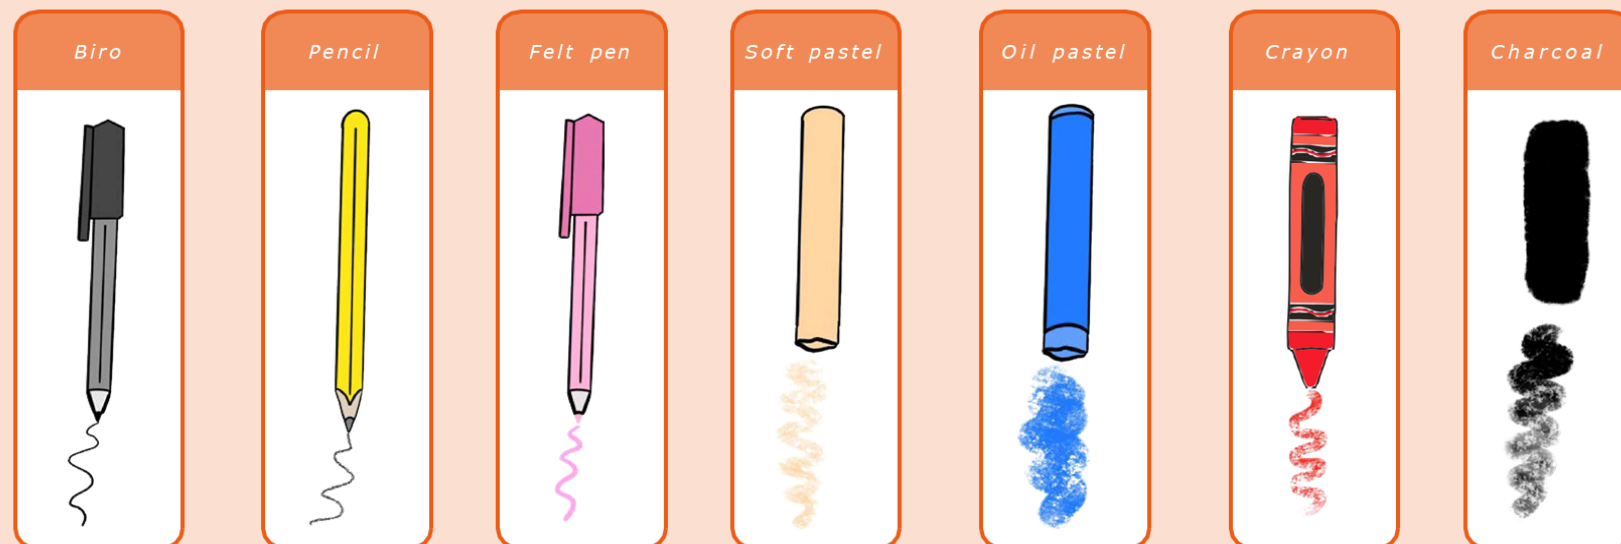

Ilya Bolotowsky

Bridget Riley

Different media (materials) and their marks

Mark-making - How would you make these marks?
