

What is the Trinity?

In this unit we will:

- know the difference between a 'Gospel' which tells of Jesus' life, and a letter in the Bible.
- offer suggestions about what texts about baptism and Trinity might mean.
- know that many Christians find understanding difficult and may use symbols and stories to help.
- explain what some of the symbols mean.
- give examples from worship (baptism and prayer) of how Christians show their beliefs about the God the Trinity.
- give examples of how Christians show their beliefs about the Trinity of God in the way that they live.
- share our own ideas about what the God of Christianity is like.

Christians believe the Father sends the Son.

Christians find learning about God a challenge.

Christians try to describe God using symbols, similes and metaphors, song, stories, poems and art.

Christians believe God is Trinity: Father, Son and Holy Spirit.

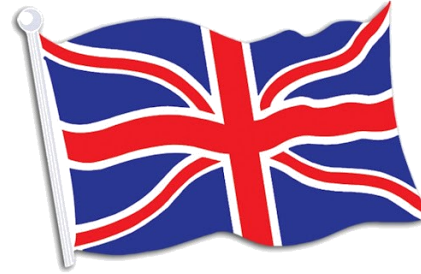

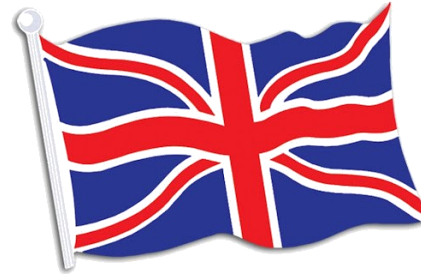

Christians believe the Holy Spirit is God's power at work in the world and in their lives.

Christians believe the Son sends his Holy Spirit to His followers.

Christians use art to represent the Trinity.

Baptism	Welcome into the Christian church family using water.
Christening	Welcome into the Christian church usually as an infant (young child or baby)
immersal	Dip the whole body in water for baptism.
immersed	To plunge, drop, or dip into a liquid so that it is covered completely.
Trinity	This is the three persons in one God - Father, Son, and Holy Spirit.
worship	Show a deep respect towards God.

One of these is folded onto the gap on the KO. This supports the children learning how symbols carry meaning.
